

## Garner Health Benefit

### **New benefit in 2024 for employees and their dependents enrolled in one of the American Senior Communities medical plans.**

Garner is a free innovative employee benefit that uses data analytics to help you find the highest quality doctors in the ASC Anthem network and helps cover out-of-pocket eligible medical expenses when you see Garner Top Providers.

How does this benefit work?

Create a Garner account. You can create your account before January 1, 2024. Then, in 2024, use the Garner Health app or website to search for the very best doctors in your area. These Top Providers are automatically added to your list of approved providers as soon as they are visible on your screen. Once Top Providers are on your list of approved providers, you can get reimbursed for qualifying\* out-of-pocket costs after your appointment.

\*Your out-of-pocket medical costs will qualify for reimbursement if:

- You have created a Garner account and added the provider to your list of approved providers prior to the date of service.
- Your provider is in-network, and the cost was covered by your health insurance plan. (Check your health insurance plan.)
- The type of cost qualifies for reimbursement under your Garner plan. (Check the “Your benefit” page in the Garner Health app to learn more.)
