

Garner is a new 2024 Benefit for employees and their dependents enrolled in one of the ASC medical plans.

# Get access to the top 20% of doctors

You'll get reimbursed for your out-of-pocket medical costs when you see them.

How does it work?

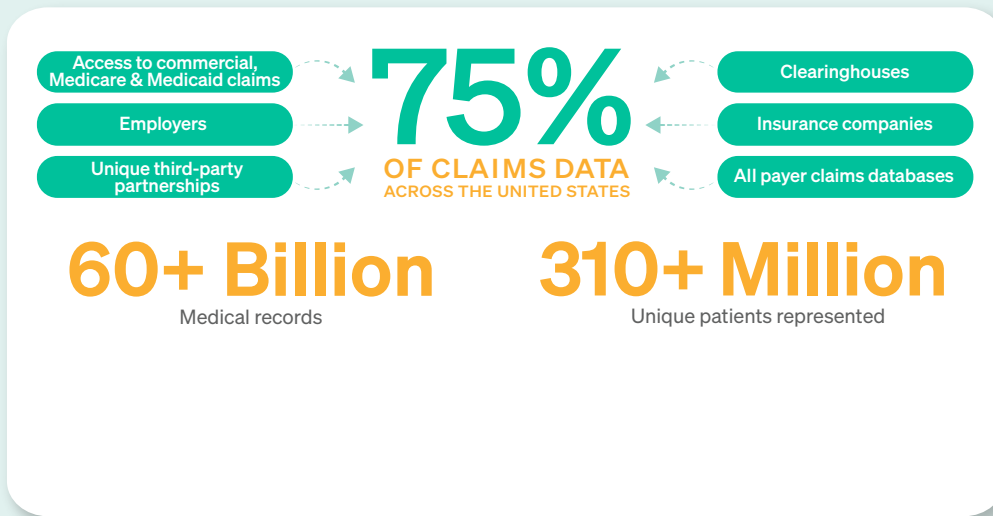

Create a Garner account. Then, use the Garner Health app or website to search for the very best doctors in your area. These Top Providers are automatically added to your list of approved providers as soon as they are visible on your screen. Once Top Providers are on your list of approved providers, you can get reimbursed for qualifying\* out-of-pocket costs.

Top Providers have shown to:

- ✓ Practice based on the latest medical research
  - ✓ Get the highest patient satisfaction ratings
  - ✓ Successfully diagnose problems
  - ✓ Produce the best patient outcomes
- ★★★★★

Garner analyzes the largest medical claims dataset in the U.S. to objectively evaluate doctor performance.

The Garner Health app gives you information on high-quality doctors in your network, with appointment availability.

Recommendations are based solely on independent analysis, not commissions or fees. Garner has no financial relationships with doctors.

**\*Your out-of-pocket medical costs will qualify for reimbursement if:**

- You have created a Garner account and added the provider to your list of approved providers prior to the date of service.
- Your provider is in-network and the cost was covered by your health insurance plan. (Check your health insurance plan.)
- The type of cost qualifies for reimbursement under your Garner plan. (Check the “Your benefit” page in the Garner Health app to learn more.)
