GENERAL RULES FOR USING PTO EXCHANGE

- You must maintain a PTO balance of at least 40 hours. Only hours above 40 are eligible for exchange.
- You may exchange up to 80 hours per year.
- PTO exchanged will be deducted from your PTO balance.
- PTO Enhancement hours are not eligible for this program.

Eligibility

- All employees who are eligible to receive and participate in American Senior Communities' paid time off (PTO) program are eligible to participate in PTO Exchange. Employees in the Work Life Balance Flexible PTO program are not eligible for PTO Exchange.

Taxes

- PTO is taxable income. Whether you are cashing it out or donating to your favorite non-profit, the PTO you use will be added to your paycheck and taxed at your regular tax rate.

Service Charge

- The IRS will not allow American Senior Communities to provide a dollar-for-dollar exchange of PTO. For all plans, a 7.5% Service Charge will apply. Unfortunately, ASC is not allowed to pay this fee on your behalf.
