Northwind Pharmacy for ALL Diabetes Medications & Supplies

- If you opt out of the Diabetes Clinical Blueprint®, which includes pharmacist and health coach support, you are still required to use Northwind Pharmacy for all prediabetes and diabetes medications and supplies.
- All medications filled through Northwind will be delivered to your home; **outside pharmacies will no longer be an option for diabetes medications starting January 1, 2025.** Contact Northwind today to transfer your existing prescriptions!

Get Started by Downloading the RxSteward mobile app:

- 1 Register for an account by using the code **ASC2025**
- 2 Click on the "Diabetes Clinical Blueprint" card
- 3 **Enroll** in the Diabetes Clinical Blueprint program with Northwind

You can find the RxSteward Mobile app in your phone's App Store
